Logan in 3KP completed his 50 metres before the summer holidays and has now moved up to angelfish group. He is the youngest pupil in the group. We are very proud with how well he is doing with his swimming.
Well done Logan!

Evie- Rose in 4LP won medals, trophies and certificates from summer club for her attitude, effort, politeness and being really creative.

She was also awarded blue cards from football training, she was chosen player of the session.

Evie has been litter picking since she was 5 years old, this photo shows her wearing her own designed and created top that she sowed the badge onto. She also made posters for our road asking people to help recycle.
Well done Evie- Rose

Oliver in 2EJ has been working super hard on his football career, he is now playing for two teams, a Saturday and a Sunday team. All his hard work has been paying off after him and his team won a tournament.
Well done Oliver

All our families – please send us photos and information of successes and achievements out of school.

Please email info@pinfold-st.walsall.sch.uk

We love hearing about our brilliant pupils.
