

27th November 2024

Dear parents/carers,

We would like to say thank you to all the parents and carers for supporting National Maths Week, all the children looked fantastic dressed up as 'Pirates'.

National Maths Week – The Pirate’s Challenge

Children in Need

Thank you to everyone for your generous donations. Our School Council Reps, Mollie and Kyidan-Lee were out on the playground with their collection buckets. We raised an amazing £352.15

Well done Mollie and Kyidan-Lee.

We raised a huge £497.49 – our highest ever!

Reception – Year 6 – Flu Vaccinations – Thursday 5th December 2024

If you have not already done so, please complete the attached form as soon as possible regarding the 'flu vaccination for this year. The form needs to be completed for ALL pupils, whether or not you want them to have the vaccine. The link will close on 30th November 2024.

<https://midlands.schoolvaccination.uk/flu/2024/walsall>

Vaccinations will take place in school on Thursday 5th December 2024.

Year 5/6 mobile phones

Pupils in Year 5 and 6 may bring mobile phones into school. The phones must be switched off on arrival at the school gates and handed to their class teacher at the beginning of the school day. Phones must not be switched on again until pupils leave the school site at the end of the day. Parents please understand the phone is left at the owner's own risk and school is not responsible for loss or damage.

Play Equipment

Children are supervised during the day on the play equipment. Please do not allow your children to play on the equipment before or after school, particularly the gym and the adventure playground.

COVID-19 Update

Children should not be tested for Covid-19. Free tests are now only offered to people at risk of developing serious illness from Covid-19. Young people are only to test if directed to by a health professional. If a parent or carer tests positive for Covid-19 then your child can and should still come into school.

Arbor

Can we kindly ask that you login to your child's Arbor profile and review the information which is stored on the system from telephone numbers, email addresses, medical conditions, dietary requirements and all other information to ensure that the data is correct.
