### Christmas Fayre

A record breaking day filled with festive cheer, community spirit and generosity!

A heartfelt thank you to everyone who attended our Christmas Fayre. The event was a resounding success, with a wonderful festive atmosphere filling the school. It was fantastic to see so many families, friends and members of the community coming together to celebrate the season and support our school.

This year, we surpassed all expectations and set a new record for money raised. We are thrilled with this achievement and look forward to sharing the final total with you next week. The funds will go a long way in supporting our pupils and enhancing their school experience.

The school was filled with festive cheer. There were plenty of fun activities for everyone to enjoy and the highlight for many children was meeting Santa in his grotto.

A special mention goes out to our incredible staff team, whose hard work and dedication made this event possible. We would also like to thank Lavs Events for donating a beautiful balloon Christmas tree for our Fayre. Thank you again to all who supported and attended.

Artsmark  
Silver Award  
Awarded by Arts  
Council England

Thank you to our thoughtful creative pupils; Freddie Grice, Oscar Grice, Ellis Mitchell and Cody-Joe Mitchell for creating our wonderful Christmas decorations. They have pride of place at the front of school, hanging on the gates.

Please have a look at the decorations on your way into school.
