

Dear parents and carers,

1st April 2022

Easter Activity Day

On the last day of term, Friday 8th April, we will be having an Easter activity day where children will be decorating hard-boiled eggs.

Please can you help with this **by sending your child with a hard-boiled egg** on Friday morning? Please don't send them in earlier in the week as we want to avoid an eggy-smelling school!!
